ACCEPTING APPLICATIONS FOR LATERAL PUBLIC SAFETY DISPATCHERS

Sacramento Regional Fire/EMS Communications Center is currently accepting applications for lateral public safety dispatchers. Interested candidates must have a minimum of two (2) consecutive years of experience in public safety dispatching with a similarly sized agency, which utilizes a CAD (computer aided dispatch) system performing call interrogation, radio procedures and Emergency Medical Dispatch. Public Safety includes fire department, law enforcement and/or ambulance.

Candidates must possess a valid California Driver's License, be able to type 40 words per minute (net) and possess either a GED or a high school diploma. Our standard shifts are 12-hour rotating shifts, 3 days on and 3 days off, but alternate work schedules may be available. Interested candidates please complete our application and return it with a current typing certificate (issued within the past six months – no on-line typing certificates will be accepted).

We are accepting applications until November 18, 2016, and anticipate initial interviews to occur in late November and candidates will be contacted via email and/or USPS mail.
