

Standard Operating Guideline

Multimedia

PURPOSE

This document is intended to establish basic Standard Operating Guidelines and procedures for dissemination of multimedia materials.

SCOPE

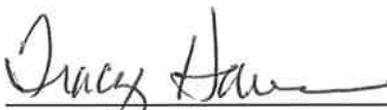

This procedure shall apply to all emergency incidents or fire department training events. Multimedia includes, but is not limited to, media and content that uses a combination of different content forms including a combination of text, audio, still images, animation, video or interactivity content forms.

PROCEDURE

All multimedia materials obtained at the scene of an emergency incident or fire department training event shall be considered the property of the agency having jurisdiction and shall not be released to the public without their consent. Responding fire personnel shall follow **THEIR OWN** agency's internal policy to release multimedia materials in any way.

The Undersigned Fire Chiefs approve of the content in this document.

Dated: February 21, 2014

Tracey Hansen, Fire Chief
Cosumnes CSD Fire Department
